(a) Hand Controls - [REDACTED] FOB, is ordering 25 Model 3 hand controls from Baird-Atomic at approximately \$390 each. We have a requirement which will be submitted shortly by [REDACTED] You will be advised of the dollars involved. No procurement action will be taken without your approval.

(b) Rework of Trackers - The Contractor has proposed tracker rework totaling approximately \$30,000. [REDACTED] is reviewing this proposal and feels that it can be reduced. Also, a portion of the funding would not be required since some of the units would be reworked in FY '61. No procurement action will be taken until total funding has been determined and you have approved the program.
